

Welcome to Amaze Health!

Patients who lack the skills and confidence to manage their own healthcare require more of it and incur higher healthcare costs

One Partner. One Platform. One Name to Trust.

What we do:

- 
- A faint, light blue background graphic of a heart with a hand reaching up to touch it, overlaid with a white heartbeat line.
- Virtual Primary & Urgent Care
 - Mental Health Support
 - Health & Wellness Support
 - Prescriptions
 - Imaging & Labs
 - Second Opinions/Referrals
 - Orthopedic exams and therapy
 - Care for the Whole Family
 - Assistance with medical bills

Services listed above are for members, their spouses, and children under the age of 26.

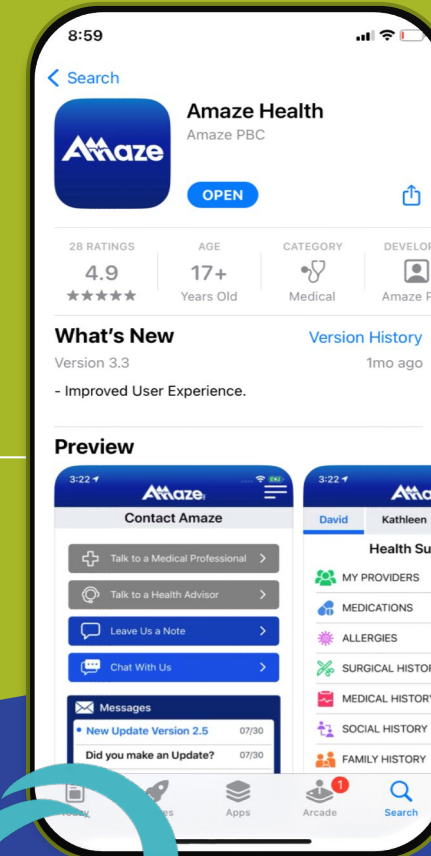

Unique Model

- One-touch communication
- Provider-first approach
- Medical providers ARE the patient advocates
- Highly collaborative team
- No per-call reimbursement
- Smart triggers to increase utilization/re-direct

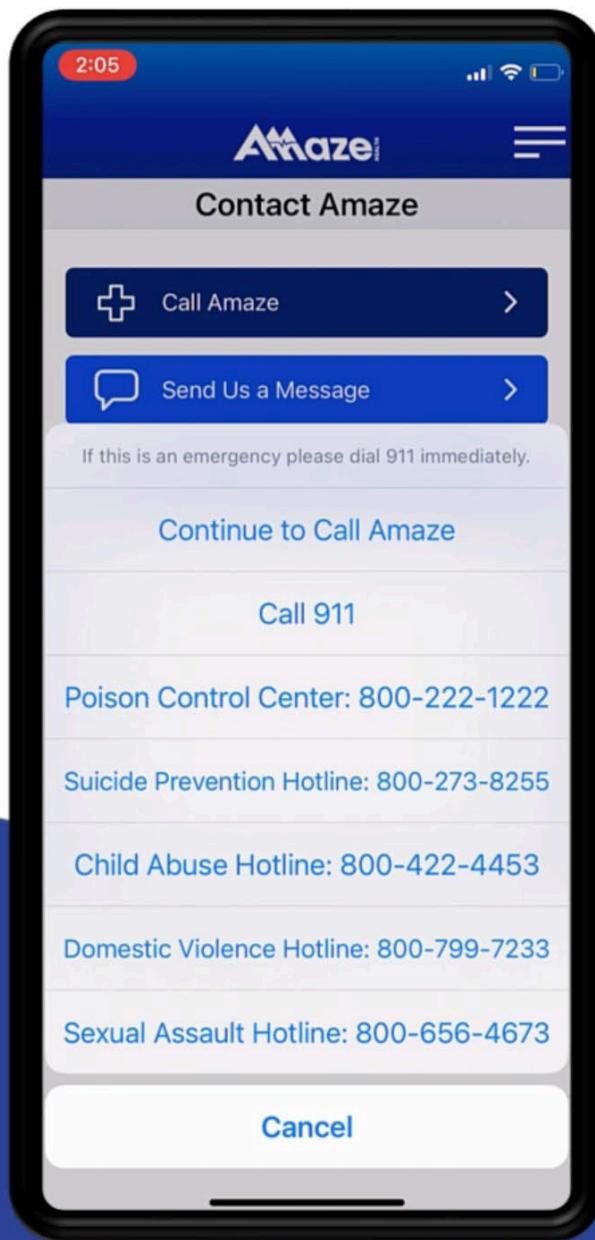

- 1. Reducing emergency room visits by more than 50%**
- 2. Eliminating more than half of all urgent care visits**
- 3. Intercepting many unnecessary specialist visits for conditions that Amaze treats**
- 4. Reducing two or more specialist visits to a single visit**
- 5. Guiding our members toward independent imaging centers and surgery centers**
- 6. Guiding our members away from costly hospital-based labs to independent labs**
